GET TO KNOW

ADMISSIONS

REGISTRATION INFORMATION:

NEW/FUTURE STUDENTS:

Begin your path at BridgeValley by first applying online. Once accepted, you will be paired with a Professional Advisor based on your major to help you register for classes. For more information, email admissions@bridgevalley.edu or call (304) 734-6647 or (304) 205-6681 to speak with someone.

CONTINUING STUDENTS:

Registration for Fall 2022 is now open! Class begins August 22 and the final day to register is August 15. Please contact your faculty advisor to schedule an advising appointment. Class schedules can be reviewed online and can be registered via MyBridge with a personalized PIN.

REMEMBER...

REGISTRATION DEADLINE:

The final day to register for the fall semester is August 15.

NEED HELP REGISTERING?

Contact James McDougale, Dean of Students, via email at: james.mcdougale@bridgevalley.edu

GET TO KNOW

FINANCIAL AID

FINANCIAL AID INFORMATION:

WHAT IS FAFSA?

Students are encouraged to complete the FAFSA, or the Free Application for Federal Student Aid, annually to determine the amount and type of federal and state financial aid a student is eligible to receive. It is also required for students applying for the WV Invests Grant program. For more information on applying for the FAFSA, please email finaid@bridgevalley.edu or visit bridgevalley.edu/financial-aid

FINANCIAL AID ELIGIBILITY REQUIREMENTS:

To be eligible to receive financial aid, students must be fully admitted to BridgeValley and enrolled in an eligible program, making Satisfactory Academic Progress as determined by the College, and must be a U.S. citizen, U.S. national, or an eligible non-citizen. A full list of requirements can be found online.

REMEMBER...

FAFSA SCHOOL CODE:

BridgeValley's school code for the FAFSA is 040386

Healthcare Management is a degree that provides the student with the perfect blend of business and healthcare. The student is prepared for a future on the business side of a healthcare organization. The program covers healthcare business strategy, healthcare law, healthcare quality, patient safety, and basic accounting principles.

This program will prepare the student to enter the workforce after graduation or to transfer to a 4-year college as part of one of our articulation agreements.

DEGREE TYPE: Associate in Science

ACCREDITATIONS:

Higher Learning Commission (HLC) and Accreditation Council for Business Schools and Programs (ACBSP)

WV INVESTS: Eligible

DEPARTMENT CHAIR:

Program Coordinator: Liesa J Kyer RN-FA, MSN,
MHA CNOR CPPM

liesa.kyer@bridgevalley.edu

CAREER OPPORTUNITIES:

- Business office at a facility
- Business office in long-term care
- Health and Human Resources personnel
- Home health agency
- Small physician practice manager

JOB DEMAND:

- 32% job growth between 2019-2029

MEET THE MAJORS

HEALTH SCIENCES

PROGRAM HIGHLIGHTS:

The Health Science degree is designed to initially prepare students for application and admission into BridgeValley selective admission healthcare programs. A two-year Health Science degree is also available and offers students the option of a track to Medical Coding or Board of Governors completion.

DEGREE TYPE: Associate of Applied Science

ACCREDITATIONS:

Higher Learning Commission (HLC) Accredited

WV INVESTS: Eligible

DEPARTMENT CHAIR:

Krista Wiseman

Krista.Wiseman@bridgevalley.edu

CAREER OPPORTUNITIES:

- Students completing the Health Science, AAS degree may find employment opportunities in hospitals, clinics, home health agencies, or physicians' offices. This degree is transferable to Baccalaureate options.

JOB DEMAND:

- Jobs in the health care industry in general are in high demand and projected to remain so for the next 10 years. Specific numbers are dependent upon the career pathway chosen.

MEET THE MAJORS

HIGHWAY ENGINEERING TECHNOLOGY

- WVDOH Construction Inspection, AAS (Major 3710)
- WVDOH Bridge Inspection, AAS (Major 3704)
- NON WVDOH Construction Inspection, AAS (Major 3709)

PROGRAM HIGHLIGHTS:

This degree initiated as a collaborative effort between the West Virginia Division of Highways (WVDOH) and BridgeValley Community and Technical College. It serves technicians working in the public sector of the civil/highways fields and those working in private industry. The aim of the program is to develop skilled technicians and technologists to service the highway engineering and construction industries.

DEGREE TYPE: Associate in Applied Science

ACCREDITATIONS:

Higher Learning Commission (HLC) Accredited

WV INVESTS: Eligible: NON WVDOH Construction Inspection

DEPARTMENT CHAIR:

Kristi Sarrett

kristi.sarrett@bridgevalley.edu

304.205.6764

CAREER OPPORTUNITIES:

- Highway Construction Inspector
- Bridge Inspector/Safety Inspector
- Laboratory Technician
- Field Technician
- Assistant Project Manager

JOB DEMAND:

- Between April 2018 and April 2019, West Virginia added the highest percentage of construction jobs in the nation, with an overall increase of 33.7 percent, or approximately 12,200 jobs. (WNNews, June 9, 2019)

Admissions@bridgevalley.edu // (304) 205-6600

MEET THE MAJORS

TECHNICAL STUDIES: UTILITY LINE SERVICE

PROGRAM HIGHLIGHTS:

The Technical Studies – Utility Line Service is a fast turnaround hands-on program that prepares students for careers in the utility industry. The program covers a wide range of skills such as electronic distribution fundamentals, electric equipment installation, pole climbing, pole-top rescue, aerial lift rescue, operation of bucket trucks, digger derricks and heavy equipment (skid steer, backhoe, mini excavator), rigging, rope knots and slings, OSHA 30 safety, first aid and CPR.

DEGREE TYPE: Certificate of Applied Science

ACCREDITATIONS:

Higher Learning Commission (HLC) Accredited

WV INVESTS: Eligible

DEPARTMENT CHAIR:

Ken Haynes

Ken.Haynes@bridgevalley.edu

304.205.6733

CAREER OPPORTUNITIES:

- In West Virginia, Electric Power-Line Installers and Repairers have a median income of \$65,500 (pay ranges from \$39,600 to \$78,200). Telecommunication Line Installers and Repairers have a median income of \$64,900 (pay ranges from \$26,200 to \$78,400).

JOB DEMAND:

- Despite limited employment growth nationally, about 23,300 openings for line installers and repairers are projected each year, on average, over the decade. Most of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force, such as to retire. [DOL Occupational Outlook Handbook, 2022]
- Projected growth rate for West Virginia is 10.4% for 2018 to 2028 which is double the standard growth rate. 290 annual openings are estimated. [Workforce West Virginia Long-Term Occupational Projections 2018-2028]
